"Substance" LP

"Substance" is the 13 song debut LP from BETRAYED, a band comprised of ex-members of CHAMPION and CARRY ON. Somewhere between the raw roots of D.C. hardcore (ala MINOR THREAT, EMBRACE) and the energy of late 1980's traditional hardcore (CHAIN OF STRENGTH, GORILLA BISCUITS), BETRAYED meshes speed, urgency, and melody into one. There's nothing processed, homogenized, over thought, or stale about "Substance". It's got a pulse, a vibe, and a heart. It favors fiery passion over flash, and substance over style. If there's one thing today's hardcore scene is lacking, it's a throbbing, beating heart that ignores image and encourages emotion. Thankfully, Betrayed are here to inject us all with a much-needed shot of loud, fast hardcore.

*LP released on limited colored vinyl.

**LP vinyl version released under license from Equal Vision Records.
