"Red Handed" 7" / iTunes

Fast, pissed, punk. That pretty much sums up the first release by Rivalry's newest band, Red Handed. Reminiscent of the early 1980's California punk scene mixed with a healthy dose of POISON IDEA, this is an unexpected punch in the face. What's remarkable is that it's being provided by an unknown group of high school kids from the San Francisco Bay Area. If you're looking for modern comparisons, think SHARK ATTACK, OUTBREAK, and LIGHTS OUT. 6 songs of raw hardcore punk at its finest, check it out!

This release is available on 7" and iTunes digital download on March 20th (no CDEP version, grab it on iTunes!). Keep your eyes peeled for a 2nd Red Handed 7" coming up in just a few months, along with a CD featuring both 7"s and some bonus tracks!
