"Connection" 7" / Digital Download

The "CONNECTION" E.P consists of 4 brand new songs from THE FIRST STEP. With their roots secured in the speedy, intense delivery of YOUTH OF TODAY and the positive mindset of INSTED, the band is showing more and more of a tendency towards MINOR THREAT's "Out Of Step" era with this release. The speed and power of the previous recordings is still here, but the song writing pays more attention to detail, using more harmony and unique timing. The D.C. inspiration is very evident and documents the continued growth of THE FIRST STEP.

*7" version has been licensed to Waking The Dead Records in the South American territory only.

7" available on limited RED vinyl.
